**Document Advantage Corporation Welcomes Chairman of the Board**

Tampa, Florida (March 20, 2008) - Document Advantage Corporation, the leading provider of on-demand document and business process management, is pleased to announce Mr. Cliff Sink as the company's Chairman of the Board.

Mr. Sink was instrumental in increasing growth and profits as Chairman, CEO or Board Member for a number of organizations. As CEO of SteelCloud, Inc. (NASDAQ: SCLD), Mr. Sink increased the share price by 250% and returned the company to profitability. Mr. Sink served on the Board of Directors for the Association for Information and Image Management for 5 years and has worked within the document and records management industry for over 10 years at large companies like Unisys, Lanier and IKON with products from FileNET, Wang, Documentum and Optika.

"With his extensive experience in the document management market and as CEO of various companies, Cliff brings industry knowledge and strong leadership to our Board" commented Jana Wiggins, president and CEO. "With an expanding customer base and company growth, Cliff's guidance will ensure that we are well positioned for the future."

"I was excited by their offering of document management solutions using the Software as a Service (SaaS) model which eliminates capital costs as the primary objection to implementation" observed Cliff Sink. "With this model, Document Advantage Corporation is uniquely positioned to capture a large portion of the document, process and records management market.
